This newsletter includes the membership application for 2011. We welcome current members to renew and invite other community members to join us. In the past year members of the Association have provided information about the Mills Act to owner of older homes. They have sponsored the 3rd Annual "Turn Off TV Night" tour of the local museums as well as a study day at the San Gabriel Library to assist Jefferson students with their History Day projects. Join us to make even more good things happen in our City!

The City's Centennial is coming up fast (in 2013). We are asking members to be part of the City Centennial planning. If you are interested, please contact the SGHA. We would love to have you join us as we celebrate the City's Centennial.

We have a great dinner meeting planned for November 15th. Dinner is catered by Luna's Mexican Restaurant and features cheese enchiladas, rice & beans, salad, drinks and dessert. After dinner, the first order of business will be the Election of Officers and the members of the Board of Trustees for 2011. After board business is completed, our speaker for the night, Charles N. "Norm" Stevens, will talk about his World War II experiences as a B-17 bombardier over Europe.

SGHA MISSION STATEMENT

The mission of the San Gabriel Historical Association is to promote interest in the history of San Gabriel and the San Gabriel Valley. We foster, preserve and protect the historical landmarks, buildings, monuments, customs and ceremonies of early California and San Gabriel. To advocate an awareness of our historical background and priceless heritage through the memory and deeds of those persons who contributed substantially to the making of the history of this area.

Museum News

Good News: Karen Cranston is recovering quite well from her recent surgery. Welcome back, Karen. She is continuing to organize the renovation project in the museum which is to convert part of the back room to a work and storage room. Board members, we are asking you for a commitment every Tuesday morning beginning at 9:30 AM to help empty display cabinets and box artifacts. The more hands on, the quicker we can get this project completed. This work is also in preparation for our Centennial Celebration. The museum will be closed in December due to this work.
